**Bahry, Evan (Executive Director, Independent Power Producers Society of Alberta)**

- Alberta Electric System Operator
  - Role of ... RE192, RE198, RE201
  - Transmission infrastructure plan ... RE201, RE202
  - Transmission infrastructure plan, timing/scope of new projects ... RE202
- Alberta Utilities Commission
  - Role of ... RE198
- ATCO Electric
  - Vertical integration of ... RE192
- Balancing Pool
  - Role of ... RE193
- Carbon offsets
  - Alberta strategy re ... RE198
- Climate change
  - Impact on electric power industry ... RE198
- Committee on Resources and Environment, Standing–Public meetings and inquiries
  - Meeting with IPPSA: Presentation and discussion ... RE191–93, RE198, RE201–04
- Contaminated sites
  - Use in electric power generation ... RE203
- Dept. of Energy (Alberta)
  - Future use of electricity, reports on ... RE192
- Economic growth
  - Importance of electric power to ... RE204
- Electric power
  - Cogeneration of ... RE193
  - Combined-cycle plants ... RE192
  - Commercial use of ... RE192
  - As dispatchable technology ... RE192–93
  - Future use of ... RE192, RE198
  - General remarks ... RE192
  - Generation of ... RE193
  - Generation of, statistics on ... RE192
  - Generation of, variability in ... RE192, RE203
  - Impact of global economic crisis on ... RE193
  - Industrial use of ... RE192
  - Market competition ... RE192
  - Modernization of ... RE192
  - Power purchasing arrangement auctions ... RE193
  - Regulation of rates ... RE192–93
  - Relation to GDP ... RE202
  - Residential use of ... RE192, RE193
  - Spot markets ... RE192, RE193
  - Statistics on ... RE192
  - Vertical integration of market ... RE192
  - Wholesale markets ... RE191–93
- Electric power–Edmonton
  - General remarks ... RE192
- Electric power–Environmental aspects
  - Greenhouse gas emissions, reduction in ... RE193
- Electric power–Fort McMurray
  - Cogeneration for oil sands ... RE192
- Electric power–Joffre
  - Cogeneration for petrochemical industry ... RE192
- Electric power–Prices
  - Impact of market competition on ... RE192–93
  - Wholesale market ... RE191–92, RE193, RE203
- Electric power–Retail sales
  - General remarks ... RE191–92
- Electric power–Retail sales–Edmonton
  - General remarks ... RE192
- Electric power–Retail sales–Pincher Creek
  - General remarks ... RE192
- Electric power–Supply
  - General remarks ... RE191, RE192

**Bahry, Evan (Executive Director, Independent Power Producers Society of Alberta) (Continued)**

- Electric power, Coal-produced
  - Cost of ... RE193
  - Efficiency of ... RE192, RE193
  - Future use of ... RE198
  - General remarks ... RE192
  - Transmission of ... RE203
- Electric power, Coal-produced–Ontario
  - General remarks ... RE203
- Electric power, Coal-produced–United States
  - Coal-produced ... RE203
  - General remarks ... RE203
- Electric power, Gas-produced
  - As dispatchable technology ... RE203
  - Future use of ... RE198
- Electric power lines
  - Importance to fuel diversity of ... RE204
- Electric power lines–Construction
  - Alberta strategy re ... RE193, RE201–02, RE203, RE204
  - Cost of ... RE201
  - Critical transmission infrastructure ... RE201
  - Timing/scope of new projects ... RE198, RE202
- Electric power lines–Construction–Edmonton to Calgary (HVDC)
  - Alberta strategy re ... RE198, RE201
  - Impact on economy of ... RE202
  - Reports on ... RE202
- Electric power lines–Saskatchewan
  - Supply ... RE192
- Electric power plants
  - Location of ... RE203, RE204
  - Peaking plants ... RE192
  - Peaking plants, location of ... RE203
- Electric power plants–Calgary
  - Construction of ... RE192
- Electric power plants–Edmonton
  - Peaking plants ... RE192
- Electric Statutes Amendment Act, 2009 (Bill 50)
  - General remarks ... RE198, RE201–02
- Electric utilities–Regulations
  - Deregulation ... RE192–93
  - Deregulation, IPPSA position on ... RE193
  - General remarks ... RE201
- Energy contracts, Residential
  - General remarks ... RE192
- EPCOR Group of Companies
  - Vertical integration of ... RE192
- Gas, Natural
  - Use in electric power generation ... RE192
- Gas, Natural–Environmental aspects
  - General remarks ... RE193
- Gas, Natural–Prices
  - Relationship to cost ... RE193
- Greenhouse gas emissions
  - Forecasts for ... RE193
- Independent Power Producers Society of Alberta
  - Electric power generation, Alberta policy re ... RE204
  - General remarks ... RE191–92
  - Presentation to committee ... RE191–93, RE198, RE201–04
- Land purchases, Government
  - For large infrastructure projects ... RE201
- Oil sands development
  - Electric power, cogeneration of ... RE192

**Bahry, Evan (Executive Director, Independent Power Producers Society of Alberta) (Continued)**

- Oil sands development–Syria
  - Initiatives re ... RE198
- Petrochemical industry
  - Electric power, cogeneration of ... RE192
- Petrochemical industry–Joffre
  - General remarks ... RE192
- Research and development
  - Electric power, economic aspects of ... RE204
- Rural electrification associations
  - Role of ... RE192
- TransAlta
  - Vertical integration of ... RE192
- Wind power
  - Alberta strategy re ... RE198
  - Future use of ... RE198
  - Impact on price of electricity ... RE193
  - Statistics on ... RE192
  - Transmission of ... RE203, RE204
- Wind power–Environmental aspects
  - General remarks ... RE193

**Balaban, Dan (President, Greengate Power Corporation)**

- Alberta Electric System Operator
  - Role of ... RE178, RE180
- Carbon dioxide emissions
  - Reduction in ... RE179
- Climate change
  - Alberta plan for ... RE178
- Committee on Resources and Environment, Standing–Public meetings and inquiries
  - Meeting with Greengate Power: Presentation and discussion ... RE176–80
- Economic development and the environment
  - Role of wind power in ... RE176
- Electric power
  - Export of ... RE179–80
  - Future use of ... RE180
- Electric power, Coal-produced
  - Clean energy standards for ... RE177
  - Greenhouse gas emissions ... RE178
- Electric power lines–Construction
  - Alberta strategy re ... RE177, RE179
  - Impact on wind power development ... RE180
- Electric utilities–Regulations
  - Deregulation ... RE176, RE178
  - Impact on wind power industry ... RE177
  - Review of ... RE177
- Energy, Clean
  - Standards re ... RE177, RE178–79, RE179, RE180
- Energy, Clean–United States
  - Standards re ... RE177
- Energy industry
  - Greenhouse gas emissions, statistics on ... RE177
- Energy industry–Ontario
  - Regulation of ... RE178
- Energy resources–Export
  - General remarks ... RE180
- Energy resources, Alternate/renewable
  - Future use of ... RE180
  - Standards re ... RE178, RE179
  - Storage of ... RE180
  - Targets for ... RE177
- Energy resources, Alternate/renewable–United States
  - Standards for ... RE178

**Balaban, Dan (President, Greengate Power Corporation) (Continued)**

- Gas, Natural–Regulations
    - Deregulation ... RE180
  - Greengate Power Corporation
    - General remarks ... RE176–77
    - Presentation to committee ... RE176–80
  - Greenhouse gas emissions
    - Reduction of ... RE176, RE177
    - Statistics on ... RE177
  - Halkirk Wind Project
    - Construction of ... RE176
  - Oil sands development–Environmental aspects
    - General remarks ... RE177
    - Greenhouse gas emissions ... RE177
  - Oil sands development–Research
    - General remarks ... RE177
  - Research and development
    - Impact on oil sands development ... RE177
  - Rural economic development
    - Impact of wind power industry on ... RE176
  - Wind power
    - Alberta strategy re ... RE177, RE178, RE179, RE180
    - Economic feasibility of ... RE176
    - Funding for ... RE178, RE180
    - Future use of ... RE176, RE178, RE179, RE180
    - Hydrogen conversion and storage ... RE180
    - Infrastructure needs ... RE179
    - Role in rural economic development ... RE176
    - Standards re ... RE179
    - Statistics on ... RE176, RE178
    - Storage of ... RE180
    - Technologies related to ... RE180
    - Transmission of ... RE176–77, RE178
    - Use of farmland for ... RE176
    - Variability in generation of ... RE180
  - Wind power–Environmental aspects
    - General remarks ... RE177
  - Wind power–Europe
    - Initiatives re ... RE176
  - Wind power–Europe–Denmark
    - Initiatives re ... RE178
  - Wind power–Ontario
    - Initiatives re ... RE176, RE180
  - Wind power–Paintearth County
    - General remarks ... RE176
  - Wind power–Stettler
    - General remarks ... RE176
- Berger, Evan (PC, Livingstone-Macleod)**
- Agricultural boards and commissions
    - Service fees of, refundability ... RE142, RE143
  - Agricultural subsidies
    - General remarks ... RE142
  - Alberta Council of Technologies
    - Presentation to committee ... RE62–63
  - Alberta Federation of Rural Electrification Associations
    - Presentation to committee ... RE190
  - Alberta Government Offices
    - Evaluation of ... RE85
  - Alberta Livestock Information System
    - Traceability component ... RE142
  - Auditor General
    - Resource royalty system comments ... RE121
    - Resource royalty system, former Auditor General's report on ... RE121
  - Calgary Power
    - General remarks ... RE190

**Berger, Evan (PC, Livingstone-Macleod) (Continued)**

- Canadian Wheat Board
  - Alberta position on ... RE142-43
- Climate change
  - North American harmonization of policy re ... RE83-84
- Committee on Resources and Environment, Standing-  
Public meetings and inquiries
  - Meeting with ACT: Presentation and discussion ... RE62-63
  - Meeting with Alberta Federation of Rural  
Electrification Associations: Presentation and  
discussion ... RE190
  - Meeting with Enmax: Presentation and discussion ...  
RE202
- Construction industry
  - Impact of fusion energy projects on ... RE62-63
- Control technology industry
  - Impact of fusion energy projects on ... RE62-63
- Dept. of Agriculture and Rural Development
  - Estimates, 2009-10, debated ... RE141-43
- Dept. of Energy (Alberta)
  - Estimates, 2009-10, debated ... RE120-22
- Dept. of International and Intergovernmental Relations
  - Estimates, 2009-10, debated ... RE83-85
- Electric power
  - Export of ... RE202
  - Future planning by ... RE62-63
- Electric power-Calgary
  - Wind power as a source of ... RE202
- Electric power-Retail sales
  - Impact of transmission costs on prices ... RE190
- Electric power-Supply
  - Future shortages of ... RE62-63
- Electric power, Coal-produced
  - Future shortages of ... RE62-63
- Electric power lines-Construction
  - Alberta strategy re ... RE190
  - Impact on alternate energy production ... RE122
  - Twinning of lines, alternatives to ... RE190
- Electric power plants
  - Peaking plants ... RE202
- Enbridge Inc.
  - Planning for energy shortages ... RE62-63
- Energy-Supply
  - Future shortages of ... RE62-63
- Energy industry
  - Impact of global economic crisis on ... RE121
  - Junior companies in, incentives for ... RE121-22
- Enmax Corporation
  - Opposition to electric power line construction (Bill  
50) ... RE202
  - Presentation to committee ... RE202
- Food industry and trade
  - General remarks ... RE142-43
- Food safety
  - Funding for ... RE142
- FortisAlberta
  - General remarks ... RE190
- Fusion energy projects
  - Global economic investment in ... RE62
- Fusion energy projects-Canada
  - Other jurisdictions ... RE62-63
- Fusion energy projects-China
  - Development of ... RE62
- Fusion energy projects-Economic aspects
  - Availability of energy source ... RE62-63

**Berger, Evan (PC, Livingstone-Macleod) (Continued)**

- Fusion energy projects-Economic aspects (Continued)
    - Economic return on investment in ... RE62-63
    - Global economic investment in ... RE62
    - Impact on construction industry ... RE62-63
    - Impact on laser technology industry ... RE62-63
  - Fusion energy projects-Russia
    - Development of ... RE62
  - Gas, Natural
    - Use in electric power generation ... RE202
  - Hydrogen fuel
    - As future energy source ... RE62-63
  - International finance
    - Crisis in, 2008, impact on Alberta economy ...  
RE121
  - Irrigation-Finance
    - General remarks ... RE141-42
  - Laser technology industry
    - Impact of fusion energy projects on ... RE62-63
  - National Ignition Facility, Laurence Livermore National  
Laboratory, California
    - Fusion energy project at ... RE62-63
  - Natural resources revenue
    - General remarks ... RE120
  - Oil sands development-Environmental aspects
    - U.S./world reaction to Alberta situation ... RE84
  - Royalty structure (Energy resources)
    - Auditor General's comments re ... RE121
    - Former Auditor General's comments re ... RE121
  - Royalty structure (Energy resources)-Alaska
    - General remarks ... RE120-21
  - Rural electrification associations
    - Electric power lines, construction of ... RE190
  - Wind power
    - Alberta strategy re ... RE202
    - General remarks ... RE122, RE190
    - Impact on price of electricity ... RE190
