

Guide to the 2017-2018 Speaker Index

Committee mandate: The Standing Committee on Resource Stewardship is an all-party committee consisting of 15 Members of the Legislative Assembly. It may meet to review a bill or to consider an issue referred to it by the Assembly, and can also meet on its own initiative to consider issues within its mandate. The mandate of the Standing Committee on Resource Stewardship relates to the areas of environment and parks, transportation, municipal affairs, Treasury Board and finance, energy, and indigenous relations.

There are two indexes for the transcripts of meetings of the Standing Committee on Resource Stewardship, a **subject index** and a **speaker index**. Interim indexes are unedited and are not considered official. Committee activities during the 29th Legislature, Third Session (March 2, 2017 –) are as follows.
