

***Alberta Hansard* Subject Index**  
**23rd Legislature, Second Session (1994)**

The *Alberta Hansard* Index is designed to provide easy access to topics discussed in the Legislative Assembly. For this reason it corresponds strictly to the text of *Alberta Hansard*.

**Format**

The index is in two sections: (1) subject index, and (2) speaker index.

*Subject index:* The main entry in this section is a subject heading, which may be followed by subheadings, see/see also references, and a list of members who spoke on that subject. Typical entries in the subject index look as follows:

**Gas industry**

General remarks ... *Allred* 6; *Knight* 834  
 Member's Statement re ... MacDonald 106; Mason 43  
 Vandalism against *See* Ecoterrorism

**Natural gas industry**

*See* Gas industry

*Speaker index:* In this section, the main entry is the member's name followed by the subjects spoken on by that member. Typical entries in the speaker index look as follows:

**Sapers, Howard (L, Edmonton-Glenora)**

Labour supply  
 Sustainability of ... 732

Note: Transcripts for the designated subcommittees are not included in the index.
