

***Alberta Hansard* Subject Index**
23rd Legislature, Third Session (1995)

The *Alberta Hansard* Index is designed to provide easy access to topics discussed in the Legislative Assembly. For this reason it corresponds strictly to the text of *Alberta Hansard*.

Format

The index is in two sections: (1) subject index, and (2) speaker index.

Subject index: The main entry in this section is a subject heading, which may be followed by subheadings, see/see also references, and a list of members who spoke on that subject. Typical entries in the subject index look as follows:

Gas industry

General remarks ... *Allred* 6; *Knight* 834
 Member's Statement re ... MacDonald 106; Mason 43
 Vandalism against *See* Ecoterrorism

Natural gas industry

See Gas industry

Speaker index: In this section, the main entry is the member's name followed by the subjects spoken on by that member. Typical entries in the speaker index look as follows:

Sapers, Howard (L, Edmonton-Glenora)

Labour supply
 Sustainability of ... 732

Note: Transcripts for the designated subcommittees are not included in the index.
