

NOTE: The index starts on page 4 of this document. Use the search capabilities of Adobe Acrobat to search the index and find the topic you are interested in; note the page number(s) associated with it. Then click on the link for the page number range containing that number in the list below to open the issue.

NOTE: Effective with the fiscal year 2009-10, main estimates for each department are dealt with in policy field committees. The indexes for main estimates are therefore no longer incorporated into the Hansard index, but will be included with the separate proceedings for each policy field committee.

For an outline of departments and the committees their estimates are referred to see after the table following.
