

Alberta Hansard 2012-2014 (28th Legislature, First Session) Speaker Index

The cumulative index, which provides subject access to debates of the Alberta Legislature, is uploaded on a weekly basis. It is provided for reference purposes only and is unedited and unofficial.

The table below is a list to date of *Alberta Hansard* issue numbers, dates, and page ranges, with links to the text document. The index itself starts following the table. Use the search capabilities of Adobe Acrobat to search the index and find the topic you are interested in; note the page number(s) associated with it. Then click on the page number range in the table below to open the issue. For information on PDF searches click [here](#).

NOTE: *Tabled documents, indicated in the index as (tabled), are listed in the [Sessional Papers](#) for this session.*
