

**Alberta Hansard 2020-2021
(30th Legislature, Second Session)
Speaker Index**

The cumulative index, which provides subject access to debates of the Alberta Legislature, is uploaded on a weekly basis. It is provided for reference purposes only and is unedited and unofficial.

The table below is a list to date of *Alberta Hansard* issue numbers, dates, and page ranges, with links to the text document. The index itself starts following the table. Use the search capabilities of Adobe Acrobat to search the index and find the topic you are interested in; note the page number(s) associated with it. Then click on the page number range in the table below to open the issue.

Abbreviations

Political parties

Ind.	Independent
NDP	New Democratic Party
UCP	United Conservative Party

Abbreviations not included in the above list are in the subject index in alphabetical order.

NOTE: *Tabled documents are listed in the [Sessional Papers](#) for this session.*
