Copies of the amendments proposed for Private Bills (S.P. 902/96)	226

Mr. Speaker as Chairman of the Standing Committee on Private Bills, I have the following report to make concerning a Bill the Committee has considered: The Committee recommends that Bill Pr2, Covenant Bible College Tax Exemption Act, proceed with some amendments. Mr. Speaker, the Committee has recommended substantial amendments to the Bill so that it would, if passed, no longer grant tax exemptions but would incorporate the College in the same manner as other private colleges. One of the amendments is to change the title of the Bill so that the reference to "tax exemption" would be removed. Mr. Speaker, I am tabling the amendments recommended by the Committee and seek the concurrence of the House in this report (S.P. 1372/96) 385-386
